

ABIGAIL E. KELLER
FOUNDATION

Dear Shari,

On behalf of the Abigail E. Keller Foundation, thank you from the bottom of our hearts for the beautiful day you created for our team. Your warm hospitality and the joy-filled setting of your home was truly a gift - a day filled with love, lavender, and lasting memories.

From picking lavender under the sun to strolling through your stunning gardens, every moment was touched with grace and care. The lunch you, Pati and Trisha prepared was not only gorgeous, but deeply intimate, allowing us the special space to share about Abbey, Colton and all our special children, and the vision for Abbey House. Those conversations are forever etched in our hearts. Also, tell John the lavender ice cream was very refreshing.

*Your generous and meaningful gesture of bestowing Abbey with a **Perpetual Membership in the Association of the Miraculous Medal** moved me deeply. It was a profound reminder of the spiritual connections that continue long after our children are gone. The poem you gave us was equally moving—we cherish it, and we hope one day it will hang with honor in the halls of Abbey House.*

As a small token of our appreciation, we've enclosed a little gift. We hope it might go toward a new plant for your beautiful garden, a symbol of growth, remembrance, and the lives we continue to nurture in memory of the ones we love.

With heartfelt gratitude,

Melissa Keller, Sharon Halloran, Suzie Adams, Amy Slack, Sara Wagner, and Theresa del Alejandro
