

Colton's Hope 3rd Quarter Newsletter 2025

Mother Teresa described the Rosary as a powerful weapon and a long chain linking heaven and earth. "To pray the Rosary is to hand over our burdens to the merciful hearts of Christ and His Mother."

Shari's Corner

My Dearest Friends,

The angels are watching over you, and our grandmothers' prayers still wrap us in their gentle protection. On September 29, 2025, we celebrated the feast of the Archangels—St. Michael, St. Gabriel, and St. Raphael. Colton's Hope is consecrated to these heavenly guardians, who protect our ministry of prayer, our works of charity, and the precious lives of unborn babies. Our logo was lovingly designed to reflect their special purpose and mission over Colton's Hope. You'll see it at the bottom of this newsletter.

I first met Bernadette in 2022 at the funeral of Diane Hussey. I remember so vividly the peace she carried and the warmth of her beautiful smile. She has been a treasure in my life ever since. Bernadette introduced us to Baby Josie—the very first baby we were called to serve. Josie was born with Turner's Syndrome and is now a thriving three-year-old, full of joy, intelligence, and grace. She shines in her ballet class, twirling with angelic delight, and she runs into Grandma Bebe's arms with the tender question, "How is your cancer today?"

The love Bernadette gives Josie is deep, unconditional, and life-changing—just like the love my own grandmother gave me. It was her prayers that carried me through life's storms, and I believe with all my heart that the prayers of grandmother's echo into eternity. Josie's life will always be shaped by Bernadette's prayers and her selfless love, a gift straight from our Heavenly Father.

In April 2024, Bernadette was diagnosed with kidney cancer that had spread to her spine and brain. She has walked through

chemotherapy at MD Anderson with a radiant, peaceful faith that has never wavered. Even while facing her own illness, she lovingly cared for her father, Richard, until his passing at age 95 in June 2025. She continues to tenderly care for her mother, Delores, now 93, who deeply worries for her daughter. Bernadette never asks for much for herself—her heart is always turned outward, praying instead for peace, comfort, and happiness for her mother.

Her life is a living example of faith, prayer, and friendship. Colton's Hope has been inspired by her witness. We don't strive to be known for how "big" we are, but for the friends we walk alongside and serve along the way. We don't chase social media recognition; instead, we listen for the quiet whisper of the Holy Spirit, choosing always to "do little things with great love," as St. Mother Teresa taught us.

We thank God for the extraordinary gift of knowing and loving Him through this family. In His name, we ask for blessings, healing, and peace for Bernadette, Josie, and Delores. May their legacy of love and prayer continue for generations to come. Amen

With love, prayers, and compassion,

Shari
